

# What your donation does

Over 90% of the donations we receive are from individuals in our community. Donations range from a few dollars to a few thousand. All our work is done by volunteers so your contribution will go directly to offering support to women in times of need.

## **\$10** *Phones & Website*

\$10 - \$20 donations keep our phones and website active. These are our primary ways of receiving applications, and communicating with clients and healthcare providers.

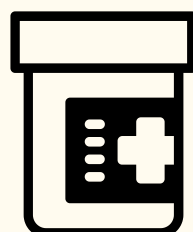

---

## **\$50** *Prescriptions*

Donations at this level mean you're covering 1-4 prescription medication costs for a woman in need.

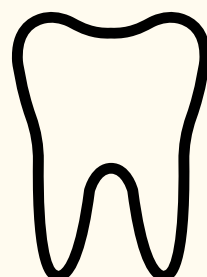

---

## **\$1,000** *Dental Work*

Common cost for dental work services like dental emergencies and dentures. Donate at this level and you've helped give someone their smile back!

---

## **\$2,000** *Hearing Aids*

Common cost for medical devices like hearing aids, mobile scooters and electrical medical beds. Donate at this level and improve someone's comfort and quality of life.

---

## **\$5,000** *Partner Projects*

Donations of \$5,000+ allow us to continue partner projects that benefit the wider community.
